April 19, 2020

Greetings GSLA families,

On Friday, Governor Pritzker cancelled all in-person classes in the state of Illinois for both public and private schools for the remainder of the academic school year. This means that GSLA will continue E-Learning for the remainder of the school year with the last day of class being Thursday, May 21st.

We will continue to collect homework and hand out assignments at school each Monday from 7:30-9:30 AM for the duration of the school year.

This new announcement results in the cancellation of the CALAC Track and Field Meet and Field Day. The school picnic has been postponed and, depending on where things stand in June, we will consider hosting an event at our facilities for students and families to have some fun together.

School administration is exploring different options for our Closing Celebration & 8th grade Graduation that is scheduled for Thursday, May 21st. More details to come in the next few weeks.

We will be in touch and provide directions for the collection of school supplies from lockers and desks.

While this is not the end of the school year for which we had hoped or planned, we know that God is in control and has all things planned for our good. We appreciate your patience and support and for partnering with us in providing a Christ-centered education for all our children.

May the risen Lord bless and keep you always,

Mr. Roekle
Principal
