April 30, 2020

Hello GSLA Families,

Thank you for your patience and support as we navigate activities and procedures for the end of the school year. Below you will find information regarding many items:

E-Learning Update

Starting the week of May 4th, teachers will assign 4 days of work. Friday the 8th and 15th will be catch-up days for students who may have fallen behind. No new assignments will be given on either of those Fridays.

Our last day of E-Learning will be Thursday, May 21st.

Last Day of School Activity

An annual tradition at GSLA has been the gathering of students on the last day of school and listening to the Will and Prophecy of the graduating 8th grade class. Even though we can't be together in person, we would like to continue this fun tradition! We will conduct a Zoom call for the entire school on Thursday, May 21st at 11 AM so that everyone can hear the Will and Prophecy for the 8th grade class. The information for that Zoom call will be sent to all families and students a day or two prior to the event.

Closing Celebration and Graduation

We will broadcast our Closing Celebration and Graduation on Thursday, May 21st at 6:30 PM. Please join us on Good Shepherd Lutheran Church's [livestream page](#). We look forward to thanking and praising God for the blessings of another successful school year and for the accomplishments of the graduating 8th grade class.

School Picnic

As stated a few weeks ago, the school picnic has been postponed. Depending on where things stand in June, we will consider hosting an event at our facilities for students and families to have some fun together.

Pick up of School Materials

All students/families will have the opportunity to pick up their school supplies in desks and lockers each Monday in May (4th, 11th, and 18th) from 7:30 to 9:30 AM. Please notify your respective teacher a day or two in advance about which Monday you plan on picking up supplies so they can have them ready for you to take home.

Returning School Materials

On Wednesday, May 27th and Thursday, May 28th from 7:30 AM to 9:30 AM, we expect students/families to return school-owned materials such as textbooks, Chromebooks, and other materials that have not yet been returned.

If you have any questions about any of these events or procedures, please contact me. I pray you and your families are safe and healthy.

In Christ,

Mr. Roekle
Principal
