School Closing Extended

Per Governor Pritzker, all Illinois schools will now be closed through April 7th. That means our students will return on **Wednesday, April 8th, at the earliest**. As always, this is an evolving situation and we will keep you posted.

Spring Break

We will not be conducting E-Learning from March 30-April 3 as that is our scheduled Spring Break. E-Learning will resume on Monday, April 6. More details to come.
