September 25, 2020

Greetings GSLA Families,

Recently, the Illinois Department of Public Health updated their guidance for school exclusion. You can find that updated guidance here: <https://www.isbe.net/Documents/IDPH-COVID19-Exclusion-Decison-Tree.pdf>

Going forward, GSLA will use this guidance to determine if a child can or cannot attend school. This new exclusion chart now supersedes the guidance for exclusion listed on page 3 of our Reopening Plan. You can read our updated Reopening Plan here.

The most notable change to this guidance is those that are exhibiting COVID-like symptoms that are already a part of a preexisting health condition or allergies do not need to be excluded from school.

We thank you for your assistance in helping to keep our students, staff, and families safe and healthy.

If you have any questions about this updated guidance, please let me know.

Blessings in Jesus,

Mr. Roekle
